ABSTRACT

This bibliography of books, articles, and papers reflects a broad coverage of both anthropology within the school curriculum, and as it is applied to the study of education. A few titles will serve to illustrate the scope: The Status of American Indian Education; Schools and Systems of Stratification; Field Anthropologists and Classroom Teachers; and, An Experimental Ninth-Grade Anthropology Course. Items are arranged by author, they are unannotated, and are mostly drawn from the 1960's. No index is provided. (JLB)
